January 1, 2015

Dear Valued Patient:

After practicing dentistry for 35 years, I have decided to announce my retirement. I cannot express enough the singular honor it has been to be your dentist. In some cases, I have treated three generations of your family. No matter the case, each of you has become a valued friend.

After an extensive and careful search, I firmly believe I have found the right dentist to take over my practice, Dr. Michael Schweizer. Dr. Schweizer is a caring, talented and compassionate professional, who shares my commitment to exemplary dentistry. He graduated from Cornell University and is a 2006 graduate of The Ohio State University College of Dentistry. He was raised in Oregon, Ohio and lives in the Toledo area with his wife, Traci, and their two children.

Dr. Schweizer and I have worked closely together to ensure a smooth transition in response to your specific needs. All of my incredible staff members will be staying with the practice to continue our mission to deliver optimum oral care in a professional and caring manner.

I am very confident that you will continue to receive the highest quality of dentistry. I know that you will be pleased with Dr. Schweizer and will extend to him the same courtesy and loyalty that you have afforded me over these many years.

Finally, your many kindnesses have always been appreciated; I will miss you.

Sincerely,

Michael B Cook DDS
